### Certificate Store

Certificate stores are system areas where certificates are kept.

Windows can automatically select a certificate store, or you can specify a location for the certificate.

- ☒ Automatically select the certificate store based on the type of certificate
- ☐ Place all certificates in the following store

Certificate store:

A screenshot of a web browser window. The address bar shows 'chrome://settings/certificates'. The page content is partially visible, showing a table with columns for 'Certificates' and 'Settings'. A dialog box titled 'Certificate Import Wizard' is open in the center, displaying the message 'The import was successful.' with an information icon and an 'OK' button. The dialog box is circled in black. The browser's tab bar shows several tabs, including 'chrome://settings/certificates' and 'chrome://settings/privacy'. The browser's toolbar shows the address bar, back, forward, and search buttons.

The highest education is that  
which does not merely give us  
information but makes our life in  
harmony with all existence

-Rabindranath Tagore

अखिल भारतीय तकनीकी शिक्षा परिषद  
All India Council for Technical Education
