Subject	Waiving of TER charges for EOA for institutions having Extended EOA
Description	We have been granted Extended EOA upto 2021-22 (copy attached). For institutions having Extended EOA, TER charges for EOA are waived as per APH 2021-22. But when we have calculated TER charges in the portal, it is showing an amount of Rs 1,60,000/- as EOA charges which should be zero. Kindly solve our problem and see that the TER charges for EOA is zero in the portal calculations.
